INFORMATION FOR THE BUYER

FREE FREIGHT OFFER —

The American Shorthorn Breeders' Association will reimburse any purchaser, or group of purchasers, who buy and ship a carload of ten lots or more from this Congress Sale to one destination, up to a maximum of \$200.00.

MAIL BIDS —

Travel restrictions may prohibit your attending the 1944 International Congress Show and Sale, and for that reason we list the following competent men who will be glad to handle buying orders for you. Contact these men at the addresses listed, or in care of this Association at 7 Dexter Park Ave., Chicago 9, or telephone Yards 0363.

Representing the Shorthorn World,
37 Island Ave., Aurora, Ill.

Clinton K. Tomson C. D. Swaffar Dan T. Cox Clem Larson

AUCTIONEERS —

J. E. Halsey, c/o Wallaces' Farmer, Des Moines, Iowa.
Roy G. Johnston, Belton, Mo.

SHIPPING ARRANGEMENTS —

It is the obligation of the consignors and this Association to see that all cattle are properly loaded on cars or trucks as directed by the buyers for immediate shipment. Cattle will be at buyer's risk as soon as bid off, but every precaution will be taken to see that animals arrive in sound and healthy condition. Be sure to leave definite instructions with the sale clerk.

INSURANCE coverage can be secured effective at the time of sale.

HOTEL RESERVATIONS —

It is urgently necessary that all who plan to attend this show and sale should make hotel reservations at least two weeks in advance. The STEVENS HOTEL, downtown Chicago, has been established as headquarters and the management will make every effort to hold rooms, so please mention the Shorthorn Sale when requesting reservations. Please note that the Shorthorn Club dinner as well as the Association Annual Meeting and Dinner will be held at the Stevens Hotel.

Dinner tickets will be available from any Association representative.

TERMS OF SALE —

The terms of this sale are cash.

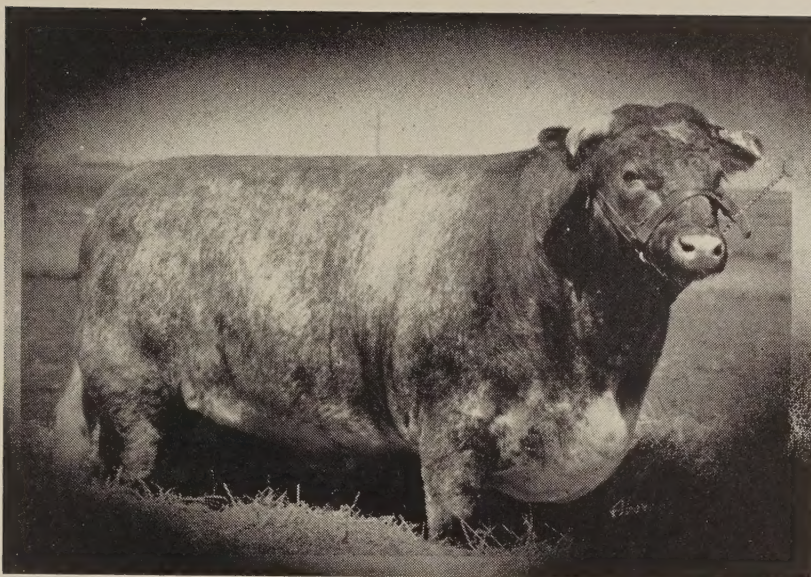

GUARANTEE —

All animals sold in this sale will be backed by the Standard Guarantee endorsed by this Association.

LIABILITY —

Although every precaution will be exercised to protect the safety and comfort of guests of the show and sale, neither this Association, nor its representatives, nor the auctioneers or clerks, can assume any liability for any accidents.

CLINTON K. TOMSON, Secretary,
AMERICAN SHORTHORN BREEDERS' ASSOCIATION.

GOLDFINDER MASTERPIECE

Exemplifies the type we are striving to produce to meet the demands of practical cattlemen and the type of bull that makes Shorthorns popular when shown in competition with other breeds. He combines extreme depth of body with modern type and quality. His wonderful head and neck stamp him as a breeding bull. His calves give every promise that he is one of the most prepotent sons of Supreme Goldfinder. We are reluctant to part with him and do so only because a large number of our cows are bred to him and his daughters are being retained in the herd to be mated to our four other sons of Goldfinder.

GLENBURN INVINCIBLE

Undefeated Grand Champion of the Western Canada show circuit this year. He is the best son of the Golden Gate Senior Champion, Klaymor Royal. His dam, a full sister of the many times champion, Brae Lodge Headlight, is the best breeding female in our herd. We have used this bull extensively in our herd and his first calves are due late in October.

BROADHOOKS LEADER

We make no reservations when we state that this is the best bull Robinwood Farms has offered at public auction. This great young bull has been admired by many and rightfully so. He is extremely short-legged and thick from one end to the other. Note the famous bulls in his pedigree. Here is a real herd bull that can be purchased with the utmost confidence.

MILLHILLS DON ALBERTO

Is undoubtedly one of the best bulls imported in recent years. His picture shows him pretty much as he is. He is by Collynie Elect, one of the top sires in Great Britain and sire of the top-selling bull in the Argentine in 1942 at \$85,000. His dam is one of the very best cows in the Millhills herd.

First Winner of \$1,000 Award

A record price of \$6.25 a pound was paid at the 1944 American Royal for "Skeeter," the Shorthorn steer that was made grand champion over all breeds in competition with 375 others. He is shown here with his owner, 16-year-old Ray Gene Cinnamon of Garber, Okla., FFA member. The steer netted a total of \$8,847.50 with added prize money, said to be the greatest aggregate reward ever received from the exhibition and sale of a single steer. Ray is the first one to receive the \$1,000 offered by the American Shorthorn Breeders' Association for a grand champion steer at a major show, "Skeeter," weighing 1,095 lbs., was bought by the American Meat Co. of Kansas City, and immediately donated to Father Flanagan's Boys' Town. Judge Alex Edgar said that this steer was one of the finest animals he had ever seen.

MILLBROOK DIAMOND SIR—is a very dark roan, outstanding in depth of body, spring of rib and strength of bone, by the noted Klaymor Diamond.

MAXWALTON BOMBARDIER

Won first in his class at the Ohio State show 1944. We are getting such marvelous calves through the use of Maxwalton Souvenir we feel that we can recommend this son very highly. He is a beautiful colored short-legged blocky bull.

BEATHTON FAVORITE

This bull was quite an easy winner in a strong class at the Lindsay Exhibition in 1944 and was also first in the Junior bull class 1943. We consider him the shortest-legged, deepest-bodied and thickest bull offered for sale recently. His dam is a thick, low-set, dark red cow and her full sister was Grand Champion at every show on the western circuit in 1941.

SUPREME NUGGET—is an attractive dark roan son of Gold Nugget. He is short-legged, deep-bodied, wide and thickly fleshed. His head has the shortness and width that indicate a prepotent sire.

ROYAL ROTHES 2D

A very thick low-set roan calf with a wonderful head and a perfect rump and rear quarter; possibly the best herd bull prospect that could be found in this country today. We had planned to retain him in the Conner Prairie herd but due to the fact that he is the oldest son of Royal Rothies that we have and because his sire has the most of his usefulness ahead of him we have decided to include him in our consignment to the Congress Sale.

Buy in the Purple

The 1944 International Congress offering contains the blood of more modern champion bulls and females than any sale of Shorthorns ever held in America.

Those who have been privileged beforehand to see this great offering of 69 bulls and 105 females agree that not in their memory have Shorthorn buyers had such an outstanding selection from which to choose.

We urge you to buy in this Congress. A breeder soon learns that to be successful either in the purebred or commercial cattle business he can't afford ANYTHING BUT THE BEST. You will be more than pleased with the Shorthorns in this Congress. You'll be proud to take them home to show to the neighbors, proud to exhibit them on the fair circuits when war restrictions are lifted. These are the kind which can go into the very citadels of other breeds and prove the everlasting popularity of the Shorthorn.

NEWALLYN NAVIGATOR—is the product of an imported sire and imported dam, both from the famous R. L. P. Duncan herd of Scotland, and both incidentally from the Rosewood tribe. Those who insist on Shorthorn bulls being extremely thick and exceptionally short-legged will want to own this one.

CHIEF CONSUL

Is a solid red bull, out of red parents, with a good head, straight, level top and bottom lines and is very stylish in appearance. His sire is one of Canada's top breeding bulls and is by that great sire of Perth Champions and high priced bulls, Calrossie Randolph, whose most notable son is Calrossie Prince Peter, now being used so successfully in the Merryvale Herd.

COMRIE EQUIPOISE 5TH—If you are looking for a show and breeding bull that will be hard to beat in the Senior Yearling class next year, look this one over. He has a perfect head, is very thick and stands on four sturdy legs. His dam is a solid deep red out of the good Edellyn Rosewood family.

Texans Also Offer \$1,000

The Texans want to see more Shorthorn steers brought into the big Texas Fat Stock Shows, fed by Texas junior feeders like these shown here. So they have fitted thought to action.

Early in 1944, the Texas Shorthorn Breeders' Association instituted an award of \$1,000 to any Texas club member, who would feed and exhibit a Shorthorn steer to grand championship at either the Fort Worth or Houston Fat Stock Shows. If a Shorthorn steer should win but is not exhibited by a Texas Club boy, the prize is \$500. The money is subscribed by individual breeders who also pledge co-operation in placing prospective champions in the hands of competent feeders. This special prize is in addition to show premiums already offered.

Hurrah for the Texans! Other State Shorthorn organizations can well afford to inaugurate some similar plan to encourage the feeding and exhibition of winning steers.

Roan, R. O. Miller

LEVELDALE MARATHON—a rich dark red bull that is distinctly a herd header, with a massive curly head and neck of good proportions. He is a wide, deep-bodied, short-coupled, with wide rump and heavy quarters and stands on extremely short legs. The blood of Sheik of Leveldale and Supreme Goldfinder "nicked" well in this bull.

MEYROSE HILLTOP

Is a low-set, solid red, very thick, extra short-legged bull. This good son of Glenburn Hilltop is the most compact, deepest-bodied calf we have produced.

BRAEMOR SULTAN VICTOR—is very deep and low-set, out of one of our most pleasing cows. His sire was undefeated as a Junior Yearling in 1942. This calf stood first or second wherever shown this fall.

CONSUL SENSATION

Is close to the ground, deep-bodied and thick, and over all has smoothness and quality. He is a real herd bull prospect. His sire is proving to be one of Canada's top breeding bulls, and is by that great sire of Perth Champions and high priced bulls, Calrossie Randolph. The dam of this great calf is a real brood cow by imported Boyndie Fame, a bull that was shown with success on the Canadian circuit by the late Duncan Campbell.

WEST HATTON SENATOR—is a dark red, deep-set calf with clean cut head and uniform width of body. He has an unusually fine coat of hair and shows every indication of developing into an outstanding herd sire.

MARELLBAR FLOODLIGHT

We are proud to produce a bull of this type. His noted sire, dam, grandam and her sire are proof enough to insure the potency of this calf as a herd sire of outstanding merit. He has the right type, color and breeding, with a perfect head and is extremely low-down, evenly balanced, closely coupled, with lots of bone, but must be seen to be appreciated.

History Making Herd Sires

It takes buying in the purple to produce calves like these. This Congress offering consists of bulls that will make history for their new owners. A herd sire is not the product of chance breeding, but the outcome of careful mating of top choice bulls with high quality females.

ABERFELDY GOLDFINDER

A member of our winning Get-of-Sire group. He is extremely deep in his body, strong in his bone and carries that smoothness and quality which will impress you as a real herd sire prospect. His grandam, imported Millhills Augusta 15th, has done more to improve our herd than any other cow we have owned.

BRILLIANT CAVALIER—is the best bull we have produced to date. He is a deep red, with a perfect head, very short-coupled, with good heavy hindquarters, thick and smooth. His sire is the dark red son of imported Cruggleton Achtoi and his dam is one of the best cows in our herd. A real herd sire prospect.

GIFT'S FIELD MARSHAL

An outstanding deep-bodied, thick calf with plenty of bone, a real head and well covered with smooth flesh. He has never had a nurse cow and would be a real show calf if fitted. The Iowa State College is using a half-brother by the same sire.

Lot 46—Bull

GOLDFINDER'S LEADER

Grand Champion at the 1944 South Dakota State Fair. His breeding would be hard to improve. We think he is the best bull to date by Goldfinder's Champion and his dam is one of our best cows. He is dark red, has a perfect head and an almost faultless body and we doubt if a shorter-legged, soggier bull will be sold this year. This outstanding calf has been good from the day he was dropped and has never disappointed us one day of his life.

O. A. C. RANSOM 239TH—is a dark roan calf that everyone will like. He was sold at the side of the cow I bought in the 1943 International Congress. If we needed new blood in our herd he could not be purchased at any price. He is exceptionally low down, has good top and bottom lines and a good head—with heavy bone and a perfect twist. With his royal breeding he should be a wonderful herd bull prospect.

ACK ACK COMMAND—is endowed with the qualifications and requirements for making a famous sire—beautiful even, dark roan color, impressive head, thickness and excellent hind-quarters, correct fleshing, compact body on short sturdy legs. His sire is a son of the International Grand Champion, Campbell's Command. His dam is from the popular Princess Victoria family and is by Arnold Bros'. great herd bull imported Cruggleton Achtoi.

DIVIDE DEFENDER 2D

An outstanding, short-legged calf with a grand head and thick, mellow covering of flesh. He is sired by the 1942 International Congress Grand Champion, Divide Defiance, now in service at Cory Farms, Prescott, Ariz. His grandmother is the dam of Divide Grand Duke now making good in the great Broadfields' herd at Muncie, Ind.

EDELLYN ROYAL LEADER 11TH

Is faultless in his short-coupled, chunky conformation and concentrates the good characteristics of America's two leading sires with Edellyn's greatest producing family, into a type that will stay typy. A Royal Leader out of a Mercury dam that is a full sister to Edellyn Roman Mercury, last year's Congress Grand Champion, this wonderful red, good-headed calf has everything that is wanted in Shorthorns. He must be considered as one of the "Safest Keys to Success with Shorthorns" sold in years. He won his class in the National Shorthorn Show at Tulsa.

HELFRED GOLDEN FAME

Is one of the best bulls we have produced and has everything to recommend him as an outstanding herd bull prospect. His perfect head and short neck blend into a smooth evenly fleshed body that carries its width evenly all the way back to his deep wide hind-quarters. He stands on heavy-boned, short legs. His dam is a very deep, smooth-fleshed, very attractive red cow. She is also the dam of Helfred Economist, used with much success at the Iowa State College.

SUPREME PROMOTOR—while only a youngster gives every promise of becoming a grand bull. He is a beautiful, even roan from one of our most dependable families and one of the thickest bulls we have produced. He is short, deep and wide, with a long bulging hind-quarter. His sire is one of the youngest sons of Supreme Goldfinder in the Husted herd and is proving to be a consistent sire of good thick, typy calves, both bulls and females.

GLENBURN KINGPIN—is a deep-bodied, low-set calf with a good head and rich color and an exceptionally good prospect. This Butterfly family in the Glenburn herd has been second only to our Myrtles. Glenburn Butterfly 12th was a show winner from calfhood, and a member of the Get of Sire Group that in two years defeated every group but one that they met in Canada and at the International and Golden Gate shows. A brother of this dam was top-selling bull of the 1936 Congress Sale.

HAIGLER HERITAGE—Our herdsman is caring for 500 Shorthorns and had no time to fit our calves, but they don't need it.

Unequaled for Adaptability

The solid rock upon which the reputation of our breed rests, is its unequaled range of adaptability. The versatility of Shorthorns insures complete adjustment to farm or range conditions. They are unequaled in their ability to convert grass into prime beef. From Maine to California, Shorthorns are winning their way into the hearts and pocket-books of thousands of new owners. The greater weight-for-age, abundant milk and easy feeding dispositions, make them the choice of farmers and ranchers for breeding and commercial herds alike. Buy females like these at the 1944 Congress.

GLENBURN BROADHOOKS 12TH

This blocky, thick heifer from our show herd comes from a great family. Her dam was a member of the Best Two Head group at the 1930 International, and later proved herself not only an outstanding breeder, but an exceptionally heavy milker. Killearn Rothes produced many outstanding show individuals in both breeding and market classes, including the Grand Champion steer over all breeds at the 1940 C. N. E. Bred July 12, 1944 to Klaymor Forester =256204=, a solid red son of Collynie Royal Barrage and out of a daughter of Calrossie Grand National.

That Famous Shorthorn Disposition

Shorthorns have by far the best temperament of all beef breeds. Their quiet, easy-handling, friendly dispositions are a major factor to greater weight-for-age. These matrons show the great placidity of disposition which, added to the ability to produce abundant milk, make Shorthorn females such excellent mothers.

Buy In the Purple for a Herd Like This

The short-legged, heavy-fleshed, low-flanked, early maturing beef-type Shorthorn of today represents a real triumph in scientific breeding. It takes animals in the purple ribbon class to produce a champion herd like the one to which these females belong. At the 1944 Congress you will have the greatest chance of your life to put your Shorthorns into the purple ribbon class, or add to your already champion herd. Come prepared to buy liberally.

Buy in the Purple

just as R. C. Boeger of Salisbury, Mo., did at the 1943 Congress. He is shown here with the youngest bull entered in the sale, Achtoi's Field Marshal, which brought the third highest price, namely, \$2,550. Arnold Brothers of Sterling, Ill., bred him.

There is the greatest group of choice young bulls like this in the 1944 Congress that has ever been seen in any one sale or show ring.

Establish All-Time High at Denver

History was made when Lois Dalton, 17-year-old 4-H Club girl from Eaton, Colo., sold a load of fed Shorthorn steers on the Denver open market in mid-September, 1944, and hit a new all-time high up to that date for fat cattle of \$17.50 per cwt. The previous high was \$17.00 in 1919.

Topping the market at Denver.

In the feed lot on the Dalton place.

Lois bought the calves in January at the Denver National. They had been the reserve grand champion carload of steers of the show for Josef Winkler, veteran Shorthorn breeder of Castle Rock, Colo. The 49 head averaged at that time 504 lbs., and they were bid in at \$21.00 a cwt., \$3.00 higher than the average for the ten top loads of all breeds including the grand champions.

This first truck-in consignment from the original 49 weighed on an average of 992 lbs. and had gained more than two pounds daily while on feed. Six of the original group cleaned the field as a showstring this summer. Those who know say the ones left will easily top the market any day they go in.

ROSAMOND 35TH—this deep red heifer is among the top females of the breed, as is her dam, also a deep red with a grand head and udder. The sire of her dam topped a strong class of calves at Toronto.

MISS RAMSDEN 3D

Champion heifer at the majority of fairs this season. She is about the thickest yearling you will find, and has a perfect body, sweet, feminine head and every quality it takes to make a brood cow. Her red imported dam is a thick, low-set cow and a consistent breeder. Sells open.

GIPSY BRIDE 8TH

Is a dark roan, low-set, thick heifer, sired by a good imported bull and out of a dark roan imported cow by Calrossie Graduate. Here is a heifer with the quality and breeding to please the most critical. Bred Sept. 2, 1944 to imported Prince William 2186498, an outstanding red son of Coldoch Sensation, that is also the sire of Edellyn Royal Leader.

ANNETTE 46TH

Is bred very much the same as Annette 42d, sold in the 1943 Congress Sale for \$935.00. This breeding has produced some of our best Shorthorns at Maple Shade—consistent breeders, good milkers and uniform type and quality. Annette 46th is a desirable kind of heifer, good rich deep red all over with a very excellent head and horn. Her sire is proving to be one of Canada's top breeding bulls.

Uses Shorthorns to Grade-Up Steers

It was not a spur-of-the-moment decision, nor was it an act of chance when the H. Moffat Co. of Elko Co., Nev., the West's largest independent meat packer, feeder and operator of one of the largest ranches in the U. S., decided to purchase Shorthorn bulls to cross with 16,000 head of white-face cows when the steers were becoming light-boned from straight breeding. In spite of initial pessimism among dyed-in-the-wool white-face breeders, these big, husky, crossbred Shorthorn calves, with greater weight-for-age, are now bringing enthusiastic praise even from the skeptics. Everywhere the need for scale, weight-for-age, adequate milk, a general revamping of type and quality of cattle breeds is being done the SHORTHORN way.

These good, rugged, heavy-boned bulls are the talk of the cattlemen surrounding the Moffat Co.'s many ranches.

SUNSET PEARL—is a dark red heifer that we should not sell, because she is the only calf we have from Brawith Boy's Bugler, the bull we sold in the 1942 International Sale to Frank Johnson of Ohio. This is really an outstanding individual with one of the best heads and deepest bodies. She is out of a dark red cow, by a dark red bull and the only reason she is offered is to convince the public that the sons of Brawith Boy of Sunset are outstanding herd sires.

ACANTHUS 59TH—is the first daughter of the \$18,000 Gold Accent that we have offered for sale. The Grand Champion steer at the 1941 Iowa State Fair was out of the same dam and sired by Supreme Goldfinder. Husted Bros. describe this calf as the thickest fleshed heifer they have produced. She is truly a model and exemplifies the type of calves Gold Accent is siring.

BLYTHWOOD AUGUSTA 37TH—a beautiful, smooth, straight-lined daughter of the International Grand Champion, "Campbell's Command" (Imp.). She is a full sister to the great red bull "Blywood Commanding Model" that went to C. J. Broughton, Dayton, Wash.

MILLHILLS BUTTERFLY

Her sire was twice International class winner and C. N. E. Grand Champion in 1941. Her dam was C. N. E. Grand Champion female in 1941 and one of the most outstanding daughters of the \$15,700 Perth Champion, Millhills Ransom. Millhills Butterfly consistently topped the Senior Calf class at the leading shows and her full brother, Aberfeldy Field Marshal, has been retained as Junior herd sire. She is a typical Ransom production and perhaps one of the best that has been offered for sale.

MARIGOLD 24TH—is a beautiful dark roan, with a sweet feminine head and is strictly modern in conformation, being short-coupled, deep, wide and thick, set on short sturdy legs. She is out of the granddam of Goldfinder Masterpiece and is the first daughter of Double Goldfinder. This heifer combines the most desirable type with the most popular and proven bloodlines.

ROSEWOOD PRINCESS 3D—a dark roan heifer by Mint Master and out of an imported Rosewood cow. She is a good type, short-legged heifer and carries the same fleshing quality that makes the Goldfinders outstanding. The 1943 Wisconsin State Fair Grand Champion female was out of the same dam. Vaccinated for Bangs.

SPREADING ELM DUCHESS 25TH

We are proud to present this good roan heifer and expect her to make a splendid breeding cow. Our 1943 Congress Sale entry won her class and was by the same sire.

In Unity There is Strength

All powerful groups grow from man's innate desire to mingle with others of equal interests—to pool funds, ideas, efforts—to accomplish what one man or a few cannot hope to do alone. This is what you accomplish when you join the American Shorthorn Breeders' Association.

In addition, a membership in this Association serves as a guide for buyers, heading them your way, because every prospective buyer who answers our advertising receives a list of members according to states and counties. Only with the support of its members can your breed Association carry on its aggressive campaign to put Shorthorns into the strongholds of rival breeds everywhere. The American Shorthorn Breeders' Association is the fastest growing breed record Association in America.

Last but not least . . . you save half on registration and transfer fees. A Class B membership costs only \$10. You can pay it all at once, or pay \$5 down with the \$1 yearly dues, and \$5 within 12 months. A membership pays for itself the first year even though you may record only two or three calves. No other cattle association can match our low costs on memberships, registrations and transfers. Be a part of us if you are raising Shorthorns. Ask for membership application NOW. Write American Shorthorn Breeders' Association, 7 Dexter Park, Chicago 9, Illinois.

Supreme Champions at Buenos Aires

Introducing Augusta Pilot and Fortune Lord Rodolph, female and bull Supreme Champions, respectively, at the 1944 Palermo Exposition, held during August at Buenos Aires, Argentina. W. D. Dron of Scotland is the judge. Informal, unposed pictures of this kind reflect the true merits of the grandest breed of cattle on earth. Shorthorns comprise 75 percent of the total cattle population in the Argentine, and their superiority is unquestioned.

ROSEBUD 10TH—is a beautiful dark roan heifer calf by Klaymor Centurion, one of the better breeding sons of Collynie Royal Barrage. Note the great sires at the top of her pedigree. We have every reason to believe this heifer will develop into a top breeding cow.

ROSEWOOD 18TH

This good Rosewood heifer is richly infused with the blood of Collynie Royal Leader through her sire and of Rosehaugh Mandarin through her dam. She is near perfect in conformation—has a sweet head, good lines and is truly a show heifer. Her dam is an excellent cow and also produced the 1944 Ind. Gold Medal State Show Champion at Crown Point, later to be made the Grand Champion female at the 4-H Club Indiana State Fair.
